

## HERBAL

A superb blend of peppermint and black tea with fresh aroma, cooling sensation and soothing taste. And multiple health benefits for all!

A rich exotic blend with delicately sundried red rose petals, rose hips and green tea. Rose petals contain vitamins and bioflavonoids used for therapeutic and medicinal purposes.

A nutritious blend of Moringa leaves and green tea with several minerals and vitamins. Distinctly earthy flavours with Indian basil and cinnamon.

A black tea blend with ginger and black pepper making a warm and soothing brew with excellent invigorating powers.

## IMMUNITY

A deliciously aromatic Chai with ginger, cardamom, star anise, bay leaves and cinnamon using traditional recipe. Brew it mild or strong, with or without milk depending on your mood.

A restorative golden orange brew with unique flavour, aroma and loaded with anti-inflammatory and medicinal properties of curcumin in turmeric.

The sundried Roselle flowers mixed with ginger, black pepper and green tea makes a vibrant red tartish brew with phytonutrients and antioxidants.

A unique blend of rare black tea and deseeded chillies with high capsaicin, ginger and lemon containing antioxidants, carotenoids and bioactive compounds to build immunity and detoxify the body.

## WELLNESS

A restorative blend of green tea and dried Indian basil leaves containing natural antioxidants to help protect body tissues against free radical damage. Also beats stress and anxiety.

A distinctively blue coloured tea brewed from Butterfly Pea flower and superfine green tea. A mix of special herbs and spices in the blend relieves stress and worries.

A blend containing stunning White Peony tea and sweet and tart flavoured berries containing nutrients and anti-oxidant properties.

A unique red-yellow coloured brew is a blend of the most expensive spice in the world – saffron – with superfine green tea and cinnamon dust. Besides other health benefits, saffron has been found to boost memory and heart health.

# ESSENTIAL

The 'Champagne of Teas' - Orthodox black teas from Darjeeling in the Himalayan foothills. A delicate brew with floral and fruity aroma and flavour.

Handcrafted whole leaf green teas produced using organic production processes. Smooth, unmistakable rounded flavour and fresh soothing aroma.

Let us blend to your taste and imagination. If there are any particular mix of herbs, spices, florals, fruits, chocolate - you name it! - that you wish to mix and blend with any of our available range of teas, let us know. Our blender with over 20 years of experience in the tea industry in Assam will make the unique blend of your choice - just for you! Terms and conditions apply.

WellTea is Australia's foremost online tea store that promises to bring you the finest in tea drinking experience and add to your wellness of the mind, body and soul. We source our tealicious teas from the world's largest tea growing region Assam, in the valleys of the majestic river Brahmaputra. Our small tea growers handcraft magic with their uniquely flavourful and limited-edition artisanal teas.

if you enjoy our tea *(and we're sure you will!)*, we would love to hear from you. If you have any questions or feedback, please contact us on:
